To,

The Secretary,

Madras Prov. S. & A. Board,

Madras.

Petition of:- K.Rama Bai, Widow of late Hav/Clerk K.R.Shripad Rao, Mannaguddia Main Road, Mangalore, South Kanara.

Sir,

1) I most humbly beg to submit the following few lines for your kind and favourable consideration:-

2) That I am the poor widow of late Hav/Clerk.K.R. Sripad Rao was served in the Indian Army during the 1939-45 war for six years, and was killed by a railway accident during the war.

3) That I have to maintain and educate my two children and find great hardship to maintain three of us during these hardest possible days, as I have no one else to help me nor has got any job to do.

4) Therefore I applied through the Secretary, Dist. Soldiers' Board to you, to kindly favour me with the fees for attending the needle work course for two years, and I was kindly granted Rs.72/- being the school fees etc. for the needle work training course by you last year, for which I feel very much thankful.

5) As this course had to be continued for the second year also, for getting a pass in the Higher grade training, I again applied for grant of school fees etc.through the above said board, and I learn that Rs.72/- were sanctioned by you again in this connection.

6) But the Soldiers' Board Secretary informs me that this amount has been redirected to you and as Rs.14/-p.m. has been sanctioned for our maintenance by the Depot, the said amount cannot be paid to me.

D.
Has the cheque been rect. back or have we heard anything from them?
27/3

(7) In this connection I have to explain that no doubt Rs.14/- was sanctioned for our maintenance, but this amount is not at all sufficient for three of us for our sustenance, which fact may be understood taking into consideration the terrible increase in cost of essential food stuffs nowadays. This petty amount is not even enough to maintain even one child alone, leaving aside that cost of his educational expenses etc.

(8) Therefore the amount of Rs.72/- sanctioned to me for my needle work course and ordered to be deducted from the Benevolent Fund grant meant for our maintenance, is not at all justifiable. In anticipation of receiving the needle-work training fees from you, I have pacified my school teacher for so long without paying the school fees to her. Now she is pressing me for its payment, and, I do not know what to do and whom to approach. I am under real distress

(9) I therefore pray to kindly consider my pitiable case, and grant me the said amount of Rs.72/- received by cheque by the Secretary, D.S.S.& A.Board, Mangalore, and subsequently returned to your office under your instructions, and help me to pay off my needle work training fees, which I still due.

For which act of kindness I shall ever remain grateful.

Mangalore.

Dated, 21-3-1950.

Yours faithfully.

Sir,

(1) I most humbly beg to represent the following few lines with the hope that you will be good enough to sympathetically view my case.

(2) My condition is very bad and to pull on living with my three children here at Mangalore, since the demise of my husband, who was the sole member on whom we were looking for support.

(3) The allowance of Rs.14/- which is being received from Rurki, is quite insufficient for my living, and for my education of needle work. As you were pleased to sanction the charges of the needle work course, I have completed the same. I further request that the amount of the cheque given for needle work course, may be allowed to be cashed by me. I assure you that I shall not apply for any further help for the needle work course.

Thanking you in anticipation,
